Career Objective

Results-driven operations professional with 16 months of hands-on supervisory experience in a high-pressure healthcare environment. Currently pursuing a Bachelor's degree (BCA) to complement practical expertise with technical skills. Seeking an internship or management role where I can apply my leadership, stakeholder management, and problem-solving abilities.

Work Experience

Operations Supervisor | Maitri Hospital, Kota | Dec 2024 – March 2026 | 16 months

- Managed and supervised a workforce of 180+ staff across housekeeping, patient care, and administrative functions in a 120-bed NABH-accredited hospital.
- Handled both day and night duty rotations, ensuring 24/7 operational continuity and adherence to NABH quality standards.
- Resolved disputes, escalations, and emergency situations with composure, ensuring minimal disruption to hospital operations.
- Maintained attendance records, tracked staff performance, and coordinated with department heads to ensure optimal staffing levels.
- Ensured best-in-class patient care by coordinating between clinical and non-clinical teams and enforcing hygiene and safety protocols.
- Managed administrative paperwork, compliance documentation, and daily operational reports.

Education

Bachelor of Business Administration (BBA) | Chandigarh University | Jan 2026 – Present (Semester 1, Ongoing)

Bachelor of Computer Applications (BCA) | MB PG College, Kota | Expected July 2026

Note: Pursuing both degrees simultaneously — BCA for technical depth and BBA for business & management expertise.

Skills & Certifications

Technical Skills: SQL, Python (beginner), IT fundamentals, MS Office

Certifications: Google Cybersecurity Certificate (Coursera)

Management Skills: Staff supervision, conflict resolution, emergency handling, attendance & payroll management, facility management, NABH compliance

Soft Skills: Leadership, communication, problem-solving, cross-functional coordination, ability to adapt in work environment

Leadership & Extracurricular

Batch Representative (Head) | MB PG College | Ongoing

- Elected head of a batch of 120 students, acting as the primary liaison between students and faculty.
- Identified and escalated academic and personal concerns of students to faculty, ensuring timely resolutions.
- Demonstrated strong communication and empathy skills in managing a diverse group of peers.

Key Achievements

- Supervised operations of a NABH-accredited hospital — one of India's most rigorous healthcare quality standards.
- Managed a team 10x the industry average for entry-level supervisors (180+ staff vs. typical 15–20).
- Completed the Google Cybersecurity Certificate, demonstrating self-driven upskilling beyond academic curriculum.
- Dual-degree pursuit reflects commitment to continuous learning and adaptability.
